# Problem Definition

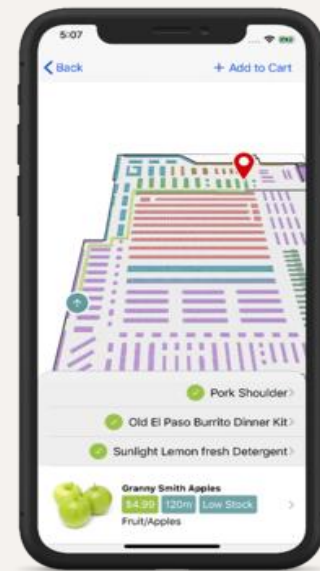

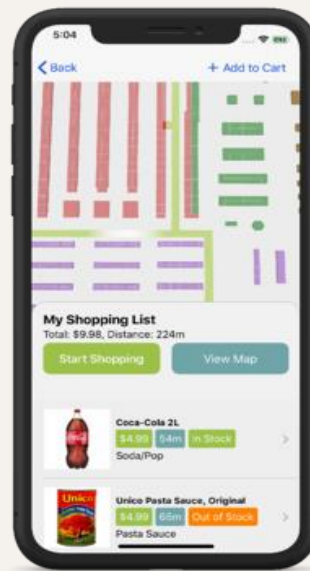

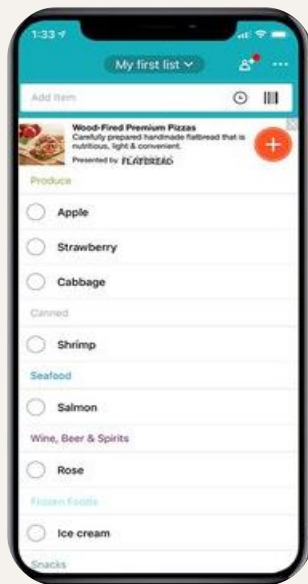

Raneem Alshareef

# The Solution

- Smart list with GPS navigation

# The Solution

- Search and navigate items

# The Solution

- Nearest offers alert

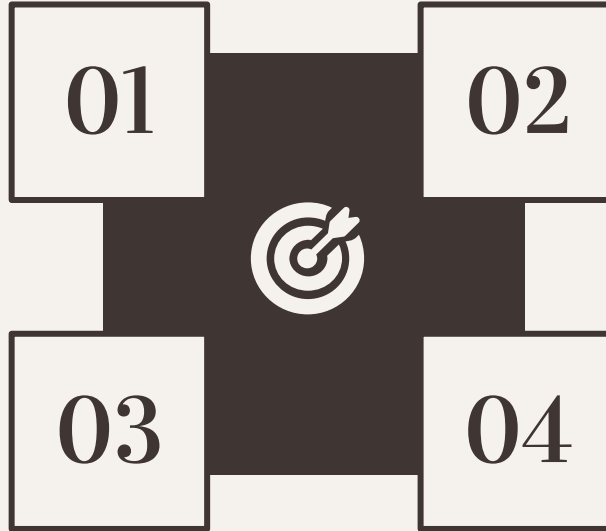

Elaf Aloufi

# Aims and objectives

Save the customers' time and money

Create a new customer experience in retail sector

Provide real-time navigation for customers inside the store

Organize and facilitate the shopping process

The image features two horizontal lines, one at the top and one at the bottom, both in a dark brown color. The ends of these lines are decorated with smooth, curved, S-shaped lines that extend outwards from the main horizontal lines.
